

TLI41418 - Certificate IV in Transport and Logistics (Road Transport - Motorcycle Riding Instruction)

Introduction

We Train Townsville Pty Ltd is a Registered Training Organisation (RTO number #45562) registered with the Australian Skills Quality Authority. We Train Townsville is proud to offer training in **TLI41418 - Certificate IV in Transport and Logistics (Road Transport - Motorcycle Riding Instruction)**

Course Description

This is a qualification for those engaged or wanting to enter the Motorcycle Rider Instructor industry within the Transport and Logistics market.

It includes the performance of a broad range of skilled applications including requirements to evaluate and analyse current practices, to develop new criteria and procedures for performing current practices, and to provide some leadership and guidance to others in applying skills and planning skill development.

This qualification is currently cited as meeting part of the requirements for certification as a Motorcycle Riding Instructor, as defined by relevant state/territory licensing and regulatory requirements.

Mode of Delivery

Delivery of this course will be trainer led, face-to-face in a classroom setting combined with skills practice assessment

Assessment Summary

The student will be assessed by demonstrating procedures applicable to all units, compiling a portfolio of work simulation and presentation of student training. They will also be required to answer a number of oral and written questions regarding their actions and theoretical application of knowledge. The assessments will also have simulated activity set by the assessor.

This assessment must be conducted by an We Train Townsville assessor and must be completed in our actual workplace or in another environment that accurately simulates the workplace. The assessor is to actively set tasks for the student and must observe these tasks being performed.

To standardise the application of this assessment, the assessment tasks (required skills and knowledge) are based on those specified in the TLI41418 - Certificate IV in Transport and Logistics (Road Transport - Motorcycle Riding Instruction).

The assessor will use an assessment instrument mapped accordingly to the assessment requirements of each individual Unit of Competency contained within the eleven (11) core units of the Certificate IV. Assessors will apply an assessment procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.
